2 Bedrooms | 2 Bathrooms | 1,899 Sqft

Stunning home with a fantastic Table Rock Lake View. This beautiful home is nestled in a fantastic neighborhood with the lake right across the street. The home features two bedrooms and two full bathrooms in a nice split foyer configuration. The home also boasts plenty of extra rooms so you'll have plenty of room for your family and loads of guests. There is a very nice sun room on the main floor and loads of room in the walk out basement. The main floor features a large open kitchen/living/dining area, the sun room, a nice laundry room two bedrooms and one bathroom. Walk down to the basement and turn right and you'll first notice the wet bar complete with a small refrigerator and a nice large living area with a pellet stove for the cold winter nights. There is also a pellet stove on the main floor in the living area. The oversized two car garage has plenty room and houses the water softener and central vacuum unit. All of this sits on two lots just steps away from Table Rock Lake. Call for a private showing of this beautiful home today. Dishwasher, Free Standing Stove: Electric, Dryer, Washer, Microwave, Water Softener Owned, Refrigerator, Electric Water Heater, Disposal
