The architecture embraces the seasons: the surrounding canopy offers intimacy throughout the summer, while the view opens in winter to reveal a spectacular lake vista. The kitchen is appointed with Samsung appliances and unique terrazzo counters, flowing seamlessly into an oversized dining area. The main bedroom is an intentional exercise in luxury; It features vaulted ceilings, a custom bathroom, and an open-air terrace complete with a soaking tub--the ultimate escape beneath the sky. A thoughtfully designed second bedroom w/ built-in Twin XL bunks is located on the main level, which can also accommodate a queen bed. The residence is available turnkey.
