Beautiful, well kept 5 bedroom / 2 bath home with guest house on 26 unrestricted acres m/l with incredible water & mountain views! The asphalt driveway will take you to this timeless, all brick home with panoramic views. Inside you will be greeted by an inviting entry & wowed by the spacious open floor plan & wood floors. The large living room & open dining space are defined by the vaulted ceiling, gas fireplace (that can easily be converted back to wood burning, ) & picture windows. This one level home also features a dream kitchen with granite counter tops, walk in pantry, built in double oven, viking stove w/ hot water, skylight, large bar, & stainless-steel appliances. The main suite features a private, screened in patio, more great views, spacious bath with dual sinks, oversized tub, walk in shower, walk in closet, & private water closet. There are 3 more large bedrooms, a formal living room that would make for a nonconforming 5th bedroom, and a separate office space. The incredible high speed internet makes working from home a breeze! The enormous covered deck is a must see and the perfect place to entertain or just sit & take in nature and Ozark Mountain views. There is storage galore inside this fantastic property including the 2 car attached garage w/ shelving or the detached 3 car garage / shop. If that's not enough there is also a guest house
