Looking for some peace and quiet, but don't want to live way out in the middle of nowhere? This property nails it. You're less than 5 miles from Laurie close to groceries, restaurants, shopping, and all the everyday stuff we actually need yet it feels tucked away and private, surrounded by trees and nature. You're also just minutes from the Indian Rock Golf Course, the local movie theater, and plenty of lakefront and off-water dining spots. Light deed restrictions keep things looking nice without being overbearing, and yes you can do a manufactured home here as long as it's on a permanent foundation. The land itself has several great spots to build full-time home, weekend cabin, or even space to add extra buildings if you want. The gentle terrain makes it easy to plan a driveway and clearing without fighting steep ground. Take a walk out here and you'll start picturing exactly how you'd make it yours.
