MLS# 3582909

\$199,900

3 Bedrooms | 1 Bathroom | 1,500 Sqft

This open living room and kitchen concept home sits in a private setting on over 2.3 wooded acres, offering seclusion right at your doorstep. The beautiful, serene property is rich with wildlife, creating a peaceful, natural atmosphere. The master bedroom is located on the main level, with two additional bedrooms in the loft overlooking the main living area. The home features central air and heat, as well as a wood-burning stove to enjoy during the cool winters. Conveniently located just minutes from the historic Bagnell Dam at the beautiful Lake of the Ozarks, you'll have easy access to fishing, boating, shopping, and more. Whether you're seeking a full-time residence, a private getaway, or a great rental opportunity, this property is worth checking out!
