4 Bedrooms | 3 Bathrooms | 2,422 Sqft

Welcome to Los Breezes, the luxury Northshore gated subdivision. Brand new construction 2nd tier, single level, lakeview home, with a boat slip available, and built by ex-Amish. This 4 bed, 2.5 bath, 2422 sqft home has no shortcuts. As you walk into this home your eyes are drawn to all of the windows and the lake view, then they say WOW about the interior design. Modern design, open concept and luxury feel. Both inside and outside spaces have plenty of room to entertain. There are still a few things being completed to include the screening of the back deck. Time to quit reading this description and look at the amazing pictures and 360 walk through.
