3 Bedrooms | 1 Bathroom | 1,334 Sqft

One-of-a-Kind Property for Horse Enthusiasts! Don't miss this incredible opportunity to own a beautifully remodeled, turn-key 3-bedroom, 1-bath home situated on 8.3 acres of horse-friendly land. Step inside to find beautiful refinished hardwood floors, a cozy custom-built electric fireplace, and a spacious living area perfect for relaxing or entertaining. The large bathroom features a jetted tub and a walk-in shower for comfort and accessibility. With new doors, windows, and insulation throughout, this home offers comfort and energy efficiency. Outside, you'll discover everything a horse trainer or owner could dream of a heated 30' x 36' horse barn complete with stalls, a tack room, a half bathroom, refrigerator, hot water, and a wash basin for grooming. Additional outbuildings provide plenty of storage space, and automatic waterers make daily chores effortless. Your horses will love the newly fenced areas, and guests will appreciate the 30-amp RV hookup for convenient stays. The back deck is the perfect spot to unwind or entertain while taking in the peaceful countryside views.
