Welcome to Shady Oaks Resort! This is a beautiful piece of property located 15 minutes from Lake Ozark. This property offers plenty of build sights and with over 330 feet of waterfrontage the possibilities are endless. This property offers a huge dock envelope as well that provides access for over 19 different boats, a swim platform, and even has the ability to be converted into a gas dock. What was once an incredible resort in a pristine location can now be yours on the 3MM of the beautiful Lake of the Ozarks.
