Wonderful chance to own lakeview property on private spring fed lake. Canoe, fish, or just enjoy the view. The road is between this property and the actual lakefront. Lakefront belongs to the resort corp and access to the lake is arranged thru them. You will also be close to public access to Lake of the Ozarks and a conservation area just south of the resort. Buffalo Creek Conservation Area has hiking trails and a conservation grounds. This would be great for a vacation cabin or a full time home if you love the quiet and peaceful life. Well worth taking a look.
