MLS# 3583230

\$325,000

Prime development opportunity! This 10.17-acre tract offers city water and city sewer already on site, saving time and development costs. The property is ideally suited for residential development, with ample acreage to accommodate multiple home sites in Wilhelm Estates. Convenient location with easy access while still offering space to design and build. A rare find with utilities in place ready for your vision to move forward.
