Massive 5-Bedroom, 3-Bath Home Your Dream Awaits! If you've ever wanted a home that feels like it's straight out of a sitcom, welcome to your new life! This spacious 5-bedroom, 3-bath masterpiece has so much charm, you might need to hire a posse to help you show it off. The kitchen boasts custom cabinets and granite countertops so beautiful that they could inspire a cooking show minus the dramatic edits. Whip up a culinary masterpiece or just perfect your takeout game; the choice is yours! Need more space? The fully finished basement is like a bonus round in a video game extra living space that's perfect for turning into a man cave, playroom, or mysterious realms of your imagination. When it's time to indulge, your primary bath features a walk-in shower and a jetted tub. That's right jet-powered relaxation! After an exhausting day, sink into that tub and forget about adulting for a while. With creek views that whisper "serenity" and a 2-car garage on the main level (plus a 1-car garage in the basement level), you'll have space for all your vehicles, sports equipment, and all the things you keep meaning to donate but never do.
