\$50,000

A lot of history in this old building. You will have endless possibilities with this one. Are you looking to get started in your own business and need a store front, well here it is. This building is in the historic downtown Stover. It would make a great candy store, bakery, retail shop or just office space. It is in need of some TLC but has had a new roof within last 5 years. Come take a look and bring all reasonable offers.

Karen Watkinson DR
