Exciting pricing! Regency Cove subdivision is a lake classic, and so appropriately named. Nice size building envelope on this 200' deep .38 acre lot. Bonus - nothing will be built directly behind it on corner of POA land. Lovely homes on both sides with similar topography show the buildability. Regency's community pool is just a few lots away. School of the Osage District is always a plus. Four Seasons has added bocce ball and pickleball to its long list of amenities, and the new swimming pool complex with indoor and outdoor pool is less than a mile away. Enjoy the clubhouse, fitness center, swimming pools, tennis courts, basketball courts, playgrounds, walking trails, boat ramps, boat dock, interior fishing lakes, campground. Dog park is just across HH on Cherokee Road. Best priced offshore lot in Regency!
