If you are looking for an incredible spot to build your dream home, in a subdivision of lavish lawns, you had better check this one out. Is a nice yard, garden spot, or chickens something that is of interest to you? What about an easy in and out for your RV where you can build a separate RV Garage/Man Cave? The drive in to this stunning 3 acre parcel passes through a subdivision of homes that all are seated on 3+ acre lots, with a blacktop road to this property. Privacy in a location that sits between Camdenton and Osage Beach with an easy backdoor to highway 7 that takes you to Lebanon or shoots you to I-44 toward Fort Leonard Wood. These lots are hard to find at the lake! Already cleared and open it is an easy lot to view and see all of the potential waiting there for you.
