This stunning lakefront home in Four Seasons offers 75 feet of shoreline in a deep cove. The well-planned layout includes 5 bedrooms, 3 full baths, and 2 half baths. Peaceful surroundings and a private golf cart path lead to the deep-water cove-protected dock- no boating limitations in winter. Vaulted ceilings and large windows fill the main living area with natural light, while the open floorplan connects the living space, dining area, and custom kitchen. The gourmet kitchen is a showstopper with so many extras. The main-level primary suite is oversized and features a walk-in closet, a second closet, and a spa-inspired bathroom. Additional bedrooms on the upper and lower levels offer privacy for guests, each with access to a bathroom. The lower level also provides a wet bar area. The dock includes a 12x32 boat slip, currently configured as 12x30, with flexibility to open to full size. After a day of boating, come back and enjoy your personal hot tub or sauna. This property offers great parking and a 2-car attached garage. A second lot is included. This home will be partially furnished. Need more benefits?
