MLS# 3583724

\$79,000

One of the last desirable lots overlooking the renowned Osage National Golf Resort, featuring an incredible 27-hole Arnold Palmer designed course. Just under one acre, this cul-de-sac lot offers a mostly flat building site with a gentle rear slope and stunning views of Hole #7 on The Mountains Course. Build your dream home with plans already completed and available (see renderings). Ownership provides the exclusive opportunity for membership to this prestigious course, which continues to elevate its reputation with major upgrades: The River renovated in 2024, The Mountains in 2025, and The Links scheduled for 2026. Enjoy top-tier amenities including a zero-entry pool, clubhouse with indoor and outdoor dining, fitness center, pro shop, and playground. Conveniently located just off Highway 54, offering easy access to Lake of the Ozarks dining, shopping, marinas, medical facilities, and top-rated schools. A rare opportunity and truly the last chance to build with a sought after golf course frontage at Osage National.
