Gravois Arm Lakefront Lot with Seawall, Utilities, Bonus Parking & Room to Dream. Lakefront lots with a seawall and utilities already in place don't come around often, especially in the Gravois Arm. This gently sloped property offers seawall, water, and an existing septic system installed, plus extra parking spaces surrounding the cul-de-sac for guests and weekends at the lake. Blacktop access makes year-round use easy, and you're minutes from the Lake of the Ozarks top destinations. A portion of the lot includes the septic treatment area ideal for a buyer with vision and smart site planning. Seller will consider all reasonable offers.
