Step into a world where luxury meets serenity. This gated community presents the final phase of these expansive floor plan condominium units, a haven you can call home. With only a limited number of 4 and 5 bedroom units available, experience grand living in the heart of Osage Beach. These new construction condos have the same great Hamptons on the Lake amenities and location but this is a different builder/developer than the previous buildings. New amenities are also being added, a hot tub by the pool, state of the art fitness center, a clubhouse, lakeside shuffleboard court, fire pits and a wonderful swim dock! Between the buildings will also be a resort-style breezeway. Relax, connect, and unwind in this lounge-setting area against a backdrop of the lake and pool. It is rare to find 4 bedroom condo units at the lake. When you add that this complex doesn't allow nightly rentals, offers nearly 3,000 sq ft, and 4.5 baths all in this location, Forget about it, this is the one. There will be no more buildings so this is your shot. Finishes will all be top notch so stop in today to learn more about these new construction condos. Boat slips are available to purchase up to 18X48.
