Tucked near the shoreline of Table Rock Lake and sitting on two lots, this move-in ready log cabin delivers the kind of laid-back lake living people dream about all year. Designed as a 1-bedroom with a spacious loft used as a second bedroom, this charming retreat is perfect for weekend escapes, summer seasons, or easy full-time living. Inside, a cozy gas fireplace anchors the living room, creating a warm gathering space after a day on the water. All appliances -- including washer and dryer -- convey, so you can simply unpack and start enjoying lake life. Step onto the screened 12 x 23 side porch for morning coffee or evening unwinding, or head up to the deck for a seasonal lake view and fresh air. A standout feature is the detached 4-car garage with a 16 x 44 heated and cooled workshop in the back, complete with a half bath -- ideal for boat gear, projects, or creative hobbies. There is also a large bonus room that was once a garage and has been converted to living space, offering endless possibilities as a game room, bunk space, studio, or extra hangout area. Just a short walk takes you to the water, boat launch, playground, tennis and basketball courts, and a convenient little community store. Quiet, friendly, and relaxed -- this is the kind of place that invites you to slow down, breathe deep, and stay awhile. Dishwasher, Free Standing Stove: Electric, Dryer, Washer,
