4 Bedrooms | 5 Bathrooms | 3,411 Sqft

Recently completed by Thomas Construction, this luxury residence presents a turnkey opportunity within the Harpers Cov lake community. Blending modern design with timeless architecture, the 4-bed, 5-bath home features oversized windows, elevated ceiling heights, and cantilevered decks positioned for wide cove views. The main level is designed for single-level living and entertaining. A large open kitchen anchors the home and flows directly into the primary living and dining areas, all facing the lake. The main level primary suite includes laundry in the walk-in closet. The lower level offers three en-suite bedrooms, a secondary guest laundry, built-in bar, and an expansive living room suited for gatherings or extended stays. A gently sloped driveway leads to a 4+ car parking area and an oversized 3-car garage. Golf cart paths provide convenient access to the shoreline, docks, and community pool. Ideally located at the 19MM near local marinas, restaurants and shopping. City water/sewer, streetlights, community trash service, and centralized mailboxes add convenience. Boat slips of various sizes are available, and furnishings can be included to create a complete turn-key package.
