Not your "cookie cutter" floor plan- vaulted ceilings, open, light and bright; room for everyone to enjoy their own space. Lots of parking in addition to a 2 car detached garage which features additional storeroom/workshop, etc on the the lower level. Blacktop to the door is a big plus. The large covered deck is the perfect spot to entertain all you friends and family. The deep water cove location is great for padding around the dock. Some furniture, appliances and the boat dock with hoist and swim platform are included.
