MLS# 3584259

\$120,000

39 acres located in Wolf Pen Hollow near Camdenton offering a combination of timber and partially cleared ground with varied topography. The property has been logged in recent years and features a road/drive already cut in with loose gravel providing access toward the upper elevation. Terrain ranges from moderately sloped to steep in areas, creating strong hunting and recreational potential. The peak elevation sits approximately 950 feet and provides expansive views of the surrounding Ozark hills, presenting a unique opportunity for a private estate-style home or compound setting. Secluded and private, yet only about 15 minutes to Camdenton giving you quick access to groceries, schools, healthcare, and everything around the Lake of the Ozarks area. You're tucked away, but not off the grid.
