Tucked just off Highway 5, this rustic lake area getaway sits on approximately 3 acres, offering privacy, space, and convenience in one package. The setting feels secluded while still providing easy access to town, making it ideal for a weekend retreat or full-time living with room to spread out. The size and dimensions of the parcel will be determined between buyer and seller and confirmed by survey. The cabin retains its original character and charm, creating a relaxed, back-to-basics atmosphere that fits perfectly with the surrounding landscape. Whether you're looking for a quiet escape, a hunting base, or a place to enjoy the lake area without the maintenance of a large development, this property offers flexibility, usable ground, and the kind of setting that's getting harder to find.
