Wake up to one of the best views on the lake from this lakefront condo that blends comfort, character, and community. This is not a big concrete and steel box. It is a place where you know your neighbors, recognize the faces at the pool, and feel the ease that comes with low turnover and pride of ownership. With short term rentals not permitted, the atmosphere stays peaceful and consistent, making it ideal for weekend escapes or full time lake living. Inside, the condo is truly turn key and fully furnished, ready for you to start enjoying from day one. The open living space flows toward the water, drawing your eye to expansive views that never get old. If preferred, the seller will consider a flooring credit with the right offer for buyers who would like to personalize the space beyond the existing carpet. Whether you are relaxing on the deck, spending the afternoon at the pool, or simply enjoying the quiet rhythm of the lake, this is the kind of place that feels like home the moment you walk in.
