**5 Bedrooms | 6 Bathrooms | 4,025 Sqft**

Breath taking panoramic views from every window, generous space, and timeless design come together in this exceptional 5-bedroom, 5.5-bath lakefront home located at the 2MM of the Osage. With 100 feet of shoreline and over 4,000 square feet of finished living space, this property is designed for both elevated comfort and effortless entertaining. The main level showcases a dramatic wall of windows that perfectly frames sparkling lake views, a spacious primary suite with a luxurious ensuite bath, a convenient guest half bath, and access to a large open deck and a screened-in deck ideal for breezy summer evenings. The lower two levels provide expansive guest accommodations and additional living areas, offering flexibility for hosting family and friends. The lowest level features a full wet bar and walk-out access to the water, creating the ultimate lakefront gathering space. Whether you're entertaining a crowd or enjoying quiet mornings by the water, this home delivers the ultimate Lake Life experience in a very desirable subdivision. Added bonus the furniture is included!
