Fantastic find in Southwood Shores Condo Complex! Top floor, waterfront condo that comes turn-key with a boat slip and lift. This is an end unit which gives you better views and an extra window. Vaulted ceilings and open floor plan. Lots of windows make it nice and bright. Easy walk to your dock and close to the pool. This is a gated complex with hot tub, indoor and outdoor pools, clubhouse, tennis and basketball courts, trailer parking, boat ramp, and playground. Would make an excellent nightly rental or keep this one for yourself. Located on the 12 mile marker. New water heater in January 2026.
