5 Bedrooms | 3 Bathrooms | 3,576 Sqft

If you've been dreaming about escaping to the Lake, this is the one worth the drive. With 3,576 sq ft, 5 bedrooms, and 3 bathrooms, there's room for the whole crew weekends, holidays, and everything in between. The recently remodeled kitchen features granite countertops, custom Bridgewood cabinetry, stainless appliances, and a wall of windows framing those incredible main channel views. Original hardwood floors add warmth and character, while major updates including newer roof, siding, septic, deck, and fresh paint mean more relaxing and less worrying. Step outside to the expansive 2 level, lakeside deck stretching the length of the home. With 180 feet of lakefront, there's room for virtually any size dock and even space for a golf cart path to the water. Whether you're looking for a weekend retreat, full-time lake living, or a smart investment property, this home delivers space, views, and that classic Lake lifestyle everyone's chasing. There is an optional parcel in front of the home that is available for additional money with plenty of room to add a garage and lakeview apartment.
