Welcome to your Ozarks escape with a Lakeview. This beautifully remodeled cedar cabin blends classic Ozark charm with thoughtful updates, all while being centrally located to multiple public lake access points. The serene lake view from the back porch truly makes this property a hidden gem, offering peaceful mornings and relaxing evenings surrounded by nature. The first cabin has 2-bedrooms, 1 bath and the bonus cabin has 1 bedroom and 1/2 bath to make it as versatile as you need and it all comes fully furnished so you can move right in! The home has been remodeled and thoughtful improvements like an onyx walk-in shower and new lighting & more. A pellet stove adds warmth, character, and energy efficiency, making the living space cozy year-round. The natural wood flooring is beautiful and the rooms are a generous size. The detached bonus room is fully insulated and heated, creating additional space that could function as an apartment-style guest suite, private office, studio, hobby space, or the workshop you've always wanted. Designed for true lake living, the property offers abundant parking with a carport and oversized concrete driveway, providing ample space for your RV (w/30 amp service) , boat, and all your lake toys. The fully fenced backyard makes it ideal for pets, while the outdoor kitchen adds exceptional value for those
