Brand New Construction! Modern Design meets breathtaking Bull Shoals Lake views in this contemporary home tucked into the hills of Forsyth. With clean architectural lines, mixed metal siding, and a bold exterior presence, this home makes a statement the moment you arrive, and takes full advantage of the scenery. Location is one minute from parks that include tennis courts, basketball, pickleball, frisbee golf, fishing, boating, canoeing, and a 6 mile paved walking/biking path! The main level offers an open split-bedroom floor plan with large windows overlooking the lake, three bedrooms, and 2.5 bathrooms. The primary suite features beautiful views, a walk-in shower, and a soaking tub. Downstairs is a walk-out basement with a separate entrance and half bath already in place. There's room to add bedrooms, create a media room, or set up an entertaining space with a bar. Could also have potential for nightly rental use. High-quality metal siding and roof for durability, plus TWO large crawlspaces for extra storage. If you've been looking for something spectacular with a big view -- this is worth seeing!
