Big views. Two slips. Zero hassle lake living. This 3BR/2BA waterfront condo delivers incredible channel views from the covered deck and the kind of boating package that is almost impossible to find RARE 12x36 AND 10x30 boat slips, both just steps from the unit. That alone makes this one a standout. Inside, the condo has been partially updated and comes partially furnished, offering a solid foundation you can enjoy now and customize over time. The real story here is lifestyle and location. Easy condo ownership means more time on the water and less time maintaining. The complex amenities are exceptional private boat ramp, boat trailer parking, two pools, grill stations, playground, game areas, and some of the BEST fishing at the entire Lake. You re also minutes by water to the NEW Oasis amusement park, Dog Days, Backwater Jack s, Redhead, and State Park. Whether you re looking for a personal getaway, rental investment, or full-time lake escape, properties with this view and two slips do not sit long. If you ve been waiting for the right waterfront opportunity this is it.
