GORGEOUS HOME, FANTASTIC LOCATION AND INCREDIBLE VIEW! This home was taken to the studs (and beyond). This is not a simple remodel; it is almost NEW construction. Everything including walls, electrical, plumbing, siding, roof, windows, appliances, all finishes, etc. The layout was reimagined and modified to add a bedroom, reconfigure a custom kitchen with 10ft island, and walls were opened to showcase the panoramic views of the main channel from every direction. The interior design elements and decor choices would be the envy of HGTV and furniture is included! The exterior of the home is equally magnificent with gorgeous terraced landscaping, a multitude of entertaining spaces on every level, outdoor kitchen, private pool, poolside climate controlled restroom and fully fenced yard with a grassy area ideal for pets. The splendor continues with an amazing concrete dock with enclosed bar/storage, 2 boat slips, dual PWC slip, covered patio area, open swim deck with ladder and diving board, and the massive wave break allows you to enjoy hanging out and swimming at this fabulous main channel location. A MUST SEE as this is one of the rare properties that is even better in person!
