WOW! From the minute you walk in the door, the lake view is amazing- from the dining area to the large living room the views are endless in either direction . From the high vaulted ceilings to the many picture windows you can't put a price on the setting of the wonderful home. The master bath was recently remodeled with an amazing walk in shower . There is 1/12 ownership in a community lakefront lot on which to place a dock with just a few steps to the dock
