Hello Lake of the Ozarks! Step into this beautifully custom-built home in the sought-after Osage National community, where thoughtful design and quality craftsmanship shine throughout. Offering over 2,900 square feet, this 4-bedroom, 3.5-bath residence delivers the perfect balance of comfort and function. The primary suite is truly oversized, creating a private retreat with ample space to relax and unwind. A unique split-living design adds flexibility, featuring a second master suite complete with its own sitting area and kitchenette ideal for guests, extended family, or private quarters, with both interior access and a separate entrance through the garage. The home is finished with granite countertops, custom tile flooring, stainless steel appliances, and three fireplaces that add warmth and character throughout. A spacious 3-car garage and fenced backyard provide both convenience and room to enjoy the outdoors. Located in Osage National, you'll have access to 27 holes of championship golf, a resort-style pool, fitness facilities, and a clubhouse with dining. This is a home that stands out custom, spacious, and designed for the way you live.
