Welcome to this stunning newer-built ranch home, completed in 2020, offering the perfect blend of modern comfort & rustic charm! Step inside to a spacious open-concept layout featuring a large living room, kitchen, & dining area ideal for entertaining or everyday living. Gorgeous wood beams stretch across the ceiling, adding warmth & character throughout the main living space. The kitchen is a true showstopper with a large, beautiful wood-top island that provides ample space for cooking, gathering, & hosting. This thoughtfully designed home offers incredible flexibility with two primary bedrooms, each with its own private bathroom, plus an additional bedroom and full bathroom on the main level. Upstairs, the loft serves perfectly as another bedroom, guest space, or home office. Outside, you'll find everything you need and more! Enjoy a fenced yard perfect for pets or play along with a covered front porch for relaxing mornings and a back patio ready for evening get-togethers. The property also features a shop with a gravel floor, an RV/camper hookup, an attached 1 car garage, and the added bonus of solar panels to help with energy efficiency. Schedule a showing before its gone!
