Location, views, and value this top floor, end-unit condo at Isla Del Sol delivers all three. This unique complex is surrounded by water and accessed by a causeway, creating a true island-like setting with some of the best panoramic views you'll find at Lake of the Ozarks. This 3 bedroom, 2 bath condo offers 1,447 sq ft and is one of the most desirable layouts in the complex. Being a top floor unit, you'll enjoy vaulted ceilings that create a spacious feel and maximize the incredible lake views. As an end unit, the condo features a more open deck area and additional natural light two features buyers consistently prefer. The unit comes fully furnished and includes a 12x32 boat slip, making it ready for immediate enjoyment on the water. Located at the 4 Mile Marker, you're just minutes from the Bagnell Dam Strip, placing dining, shopping, and entertainment close by. For the size, boat slip, furnishings, and unbeatable views, this property is priced aggressively compared to similar condos at the lake. If you've been looking for a way to get a lot of condo and a lot of view for your money, this is a property you need to see. Could also make a great rental property!
