Wake up each day to breathtaking panoramic lake views from this bluff-top property offering one of the most dramatic vantage points on the water. The existing home is a fixer or a possible tear-down, giving you the rare chance to design and build exactly what you want in a setting that's impossible to replicate. Perfectly perched above the shoreline, the lot delivers elevated, unobstructed vistas and year-round scenery, from peaceful sunrises to stunning sunsets. Whether you envision a modern full-time residence or a custom vacation retreat, this property provides the ideal canvas. Create your dream home and enjoy some of the most spectacular views on the lake.
