Arrive with quiet distinction through a gated, gentle private drive remarkably refined for Lake of the Ozarks leading to this exceptional estate in Porto Cima, one of luxury Shawnee Bend's most exclusive enclaves. Inside, uncompromising craftsmanship and bespoke finishes define every space, while dramatic walls of glass capture sweeping, miles-long Main Channel views. Thoughtfully reimagined, the residence offers new windows, rich flooring, plush carpeting, and timeless architectural detail throughout. The chef's kitchen is a statement of elegance, featuring striking granite, custom cabinetry, designer tile, and professional-grade appliances. The primary suite rivals a five-star spa with a jetted soaking tub, expansive tiled shower, sauna, and an extraordinary custom wardrobe. Designed for elevated entertaining, the lower level showcases a grand lounge, sophisticated bar, billiards, private cinema, and elevator-ready space. Outdoors, indulge in a screened culinary pavilion, resort-caliber pool, and spa at the shoreline. A brand-new dock and breakwaters built by the lake's most exciting new manufacturer, US Boat Dock LLC, delivering in June, completes this legacy-caliber offering.
