Have you been looking for land? Are you wanting freedom, privacy, and a great location? This nice 9 acre property offers level ground near the roadside making it ideal for building, bringing in a tiny home, or creating your own weekend escape. With less than a mile of gravel, access is easy while still feeling tucked away. The property is long and narrow, giving you added privacy and plenty of room to enjoy the outdoors. With no known restrictions and no immediate neighbors, the possibilities are wide open. Located near Versailles, Jacob s Cave, and popular off-road trails, this is a great opportunity for recreation, camping, or your future homesite.
