Welcome to the River Crest Subdivision, a stunning 249-acre property bordering the Corps of Engineers on Bull Shoals Lake. This surveyed and meticulously designed property offers the perfect opportunity to build your dream home on the lake while also having the option to sell off the remaining parcels. The level to gently rolling hills provide breathtaking views of the lake and surrounding area, making it the perfect backdrop for any outdoor enthusiast. Don't miss out on this rare opportunity to own a piece of paradise on Bull Shoals Lake.
