Welcome to your practically brand-new, custom-built 2024 cabin in the woods--a private retreat on 7.64+/- acres that backs directly to Corps of Engineers land with seasonal lake views and kayak access right from your backyard. Designed and built with meticulous craftsmanship, this all-wood 4 bedroom, 3 bath home radiates warmth, charm, and quality in every detail. Step inside to soaring vaulted and high ceilings, creating a spacious, lodge-like atmosphere that instantly feels like home. The wood flooring throughout the main level makes for easy care and enhances the natural warmth of the interior. As you enter, you'll be greeted by a massive formal dining room perfect for large gatherings--complete with a cozy window nook and a thoughtfully placed doggy door so your furry family members never miss the celebration. Two generously sized bedrooms, each accented with cedar, sit just off the main corridor. The home then opens into a stunning open-concept living area, ideal for entertaining. The chef's dream kitchen features granite countertops, two oversized sinks, a center island, an abundance of custom cabinetry, and a walk-in pantry so large it feels like your own private grocery store--a truly spectacular feature. From the main level, stairs lead to a charming half-story loft that overlooks the living area and kitchen, offering an
