\$495,000

Lush bottom land along Buffalo Creek offers gorgeous waterfront building sites and complete commercial nursery setup suitable for the serious hobby farmer. Greenhouse is equipped with electric, concrete floor and propane heat. Numerous outbuildings include high tunnel, well/well house, chicken coop, goat shed and nursery office. Three 60 ft. rows of blueberries and extensive landscaping and gardens in place. Fenced pastures. Limited flood plain area - only along creek. Limited use restrictions will prohibit growing marijuana crops, commercial hog, poultry or kennel operations.
