Welcome to the top floor penthouse level in one of the most sought-after vacation rental communities in all of Branson, Pointe Royale. Start with what most buyers overlook: no one above you. No footsteps, no ceiling thumps, and no worries about upstairs plumbing surprises. Just vaulted ceilings, quiet comfort, and the confidence that comes with being at the top. This immaculately maintained 2 bedroom, 2 bath condo is also incredibly close to the pool, which matters more than most realize. Guests love proximity and owners appreciate convenience. When renters can walk to the amenities just feet from the front door, bookings become easier and reviews get better. Inside you'll find light white cabinetry, vaulted living and dining ceilings, a spacious laundry room, jetted master tub with dual vanities, large covered deck with scenic views, and furnishings included so it's ready to perform as a nightly rental or personal retreat. Pointe Royale is one of the most popular vacation rental communities in Branson thanks to its gated entrance, championship golf, indoor and outdoor pools, clubhouse, fitness center, tennis courts, playground, and unbeatable location just minutes to Table Rock Lake, the Strip, and all area attractions. When location meets amenities, demand follows. If you're choosing a unit in Pointe Royale, wouldn't you prefer top floor,
