## \$1,200,000

Discover an exceptionally rare 8+acre waterfront sanctuary on the pristine shores of Table Rock Lake. Over 900 feet of Corps of Engineers shoreline. The property delivers breathtaking, year-round, and completely unobstructed blue-water main channel views that stretch for miles. This offers unparalleled flexibility: craft one sprawling, secluded private compound, or capitalize on the development potential to build up to four luxury residences. A gated private drive is already in place and the terrain features dramatic rock outcroppings, expansive shelf-rock patios, and a dedicated waterfront campsite complete with a bonfire zone--perfect for making immediate lake memories. Nestled off the exclusive Pokeberry Road, this parcel shares its prestigious setting with upscale lake residences, seamlessly bordering a magnificent, three-million-dollar neighboring estate. You'll enjoy privacy and a feeling of seclusion without being remote as you are perfectly positioned just 10 minutes from Kimberling City. It's only 20 minutes from the world-class amenities of Silver Dollar City and Big Cedar Lodge, and under 30 minutes to the heart of Branson. A nearby boat slip is available. (Note: The seller is also offering the lots individually via separate listings. Inquire today for more information or to schedule a private tour of this extraordinary property.)
