Secluded Ozark Getaway Near Twin Bridges - 9.7 Acres with Spring Creek Frontage & River Views Experience the beauty and serenity of the Ozarks on this 9.7-acre property perfectly positioned across the highway from Twin Bridges. Featuring mature oak timber, paved highway frontage, and stunning winter views of both Spring Creek and the North Fork River, this land captures the essence of natural Missouri living. The setting offers a blend of privacy and convenience with electric on site and multiple build sites out of the river bottom, making it ideal for a full-time residence, a weekend retreat, or an Airbnb investment property. Enjoy peaceful mornings casting a line into your own private stretch of Spring Creek, where trout and bass are abundant, or explore the property's unique natural cave tucked among the timber. The mature hardwoods not only provide shade and beauty but also create a tranquil habitat for local wildlife. During the winter months, the landscape opens to reveal scenic views of the river and surrounding hillsides, offering an ever-changing panorama through the seasons. Located just steps from the recreation of Twin Bridges, this property combines the best of accessibility and seclusion. Whether you're looking to build a cozy cabin, design an income-producing getaway, or simply escape to the quiet rhythm of the countryside,
