Waterfront Mountain & Winter Water Views - Table Rock Lake Build Site Paradise Discover an incredible opportunity to build your lakefront dream--where cool breezes roll off the water, waves gently meet the shore, whippoorwills call in the distance, & fireflies dance along the mature hardwoods at dusk. This rare find, three lots in one, offers unmatched peace, privacy, & abundant local wildlife--a genuine Ozarks paradise. With low to no restrictions, you're free to create the custom retreat you've always imagined. Whether it's a cozy cabin or a creative masterpiece, the gently sloping, lightly wooded terrain lays beautifully--ready for you to carve out your perfect nature oasis. And the location! Minutes to multiple access points on crystal clear Table Rock Lake and adventure-filled Mark Twain National Forest. Bonus! You're just a few minutes from the beloved Persimmon Hills Blueberry Farm -- grab a fresh pint or treat yourself to a legendary thundermuffin (local tip: don't leave without one!). Bring your vision & start living the Table Rock Lake lifestyle you've always dreamed of--this one has it all! Waterfront & Mtn & Winter Water Views in the heart of the rolling ozark hills.
