Get ready for summer on the shores of Table Rock Lake! This brand new cabin is cute as a button and move-in ready! Priced to Sell! Loaded with character and charm, this little gem would make a great vacation home or full-time residence. Got an RV? This property offers a spot next to the cabin to park it, with water and sewer connections! Located in the fun community of Jellystone Park, you're just a hop, skip, and a jump from Table Rock Lake. There's a boat launch and community docks to help you take advantage of that lake proximity, and the community also offers a swimming pool for more summer fun! Plus, Branson and Silver Dollar City are just a short drive away. This cabin has never been lived in, in fact it still has that 'new home' smell and feel so come on down to the lake and take a look!
