This beautiful, peaceful 24.6 acres is located by Clearwater Lake surrounded by trees and nature. There is an abundance of fish and ducks at the lake and the woods are full of deer and turkey activity. Whether you hunt, fish or just need a peaceful place to get away from the busy city, this is worth checking out. Almost completely wooded with a spot that has been cleared out and leveled to build a home or cabin. This is an ideal spot to build your forever home, vacation home, hunting or fishing lodge.
