3 Bedrooms | 5 Bathrooms | 3,360 Sqft

Experience exceptional lake living with this beautifully remodeled 3 bedroom, 5 bath home on 5 acres along the crystal-clear waters of Bull Shoals Lake. Bordering the U.S. Army Corps of Engineers on three sides, this property offers rare privacy, scenic surroundings, and direct access to one of the Ozarks' most sought-after lakes. This stunning 3,360 sq ft home has been completely transformed with a top-to-bottom remodel where no detail was overlooked. Nearly every component of the home is brand new, including plumbing, HVAC, wiring, septic system, roof, siding, and beautiful stonework, offering the peace of mind and efficiency of modern construction with the charm of a lake retreat. Inside, the home showcases high-end finishes throughout. The kitchen features top-of-the-line stainless steel appliances, elegant granite countertops, custom soft-close cabinetry, and luxury vinyl plank flooring that flows throughout the home for durability and style. Bathrooms feature gorgeous onyx showers and upscale finishes designed to elevate everyday living. The layout is both functional and versatile. Two spacious basement bedrooms each feature private ensuite bathrooms and exterior entrances, creating an excellent opportunity for income-producing short or long-term rentals, guest suites, or private accommodations for extended
