BRANSON'S ICONIC ESTATE! Lake views for miles! 10,000+ square feet of jaw-dropping presence! Perched high above Lake Taneycomo at 493 Shady Drive, The Cliff House stands as one of Branson's most recognizable properties, delivering scale and stature that simply cannot be duplicated. With 8 bedrooms and 9 baths across three expansive levels, this home was built for grand entertaining (and yes, everyone will expect you to host). A soaring entry, multiple living areas, and five fireplaces create dramatic yet inviting spaces, while walls of windows frame panoramic lake and Ozark Mountain views from nearly every room (the sunsets here are unreal). The chef's kitchen anchors the main level and flows effortlessly into oversized gathering areas and out to massive decks designed for evenings above the water. A gated entrance and four-car garage complete the experience (because a home like this deserves an entrance). Estates with this kind of presence rarely become available--schedule your private showing and claim your place at the top.
