2 Bedrooms | 2 Bathrooms | 1,550 Sqft

Have you been dreaming about a cozy, waterfront cabin that is absolutely picturesque? Something that gives off Big Cedar Lodge cabin vibes? This little rustic water front gem is one of a kind. The main level has a beautiful kitchen, and an open dining/living room - complete with a stone, wood burning fireplace! Main level also has two bedrooms with a jack n' jill bathroom, and a stacked laundry room. The loft has 2 rooms (both used as sleeping quarters), and a bath. (The two bedrooms on lower level are non-conforming as they do not have closets.) Pine floors, wood beams, stone fireplace, stunning water views, antique bath tubs, root cellar, manicured yard, garden space, fenced in side yard for the fur babies, wrap around deck, garage...all of the 'dreamy lake cabin' boxes are checked! Oh and there is a 10x24 boat slip just below the home in a community dock for extra \$\$.
